A woman with red lipstick, wearing a bright yellow blazer over a white top, is seated at a yellow table. She is holding a piece of fried chicken (Ayam Goreng) in her right hand, which has a ring on the ring finger. On the table in front of her are three plates of food: a plate of fried chicken with green peas and onions, a plate of fried chicken with green peas and onions, and a plate of fried chicken with green peas and onions. There are also two small metal cups containing dipping sauces, one orange and one dark. A glass of iced coffee with a sprig of rosemary is on the right. The background is a solid yellow wall with a pattern of orange diamonds. The text 'AYAM GORENG' is repeated vertically on the left side of the image.

A large, round, silver-colored metal plate is filled with a variety of fried foods. In the center, there are several large, round, golden-brown meatballs. Surrounding the meatballs are numerous thick-cut french fries, also golden-brown and fried. Interspersed among the fries and meatballs are several pieces of fried chicken, including what appear to be drumsticks and wings. The entire dish is garnished with finely chopped green herbs. In the bottom right corner of the plate, there are two small, round, silver-colored metal bowls. The bowl on the left contains a dark, thick sauce, possibly barbecue or a spicy dipping sauce, with a sprig of green herbs floating on top. The bowl on the right contains a bright orange sauce, likely a cheese sauce or a tomato-based dipping sauce, also garnished with a small amount of green herbs. The plate is set against a plain white background.
